

PLEASE HELP PROTECT THE CITIZENS OF THE WORLD
FROM INTERNATIONAL CRIME BY BOYCOTTING ANTIGUA

BEWARE! DON'T LET THE BEAUTIFUL BEACHES FOOL YOU!!!!

Antigua says the beach is just the beginning, and that is an understatement. It is home to one of the world's most corrupt governments and is no stranger to **SCANDAL**. While it portrays itself as a friendly, vacation paradise, Antigua is known for protecting criminals who commit **CRIMES AGAINST FOREIGN CITIZENS**.

We urge you to **PROTECT TOURISTS** from around the world from the **HIDDEN DANGERS OF ANTIGUA**. Project "Anti-Crime, Anti-Antigua" seeks to send a clear message to the Government of Antigua and Barbuda by **BOYCOTTING ALL TRAVEL** to their island.

At the epicenter of one of the most **DEVASTATING FINANCIAL CRIMES IN HISTORY**, Antigua provided a safe harbor for Allen Stanford to carry out a **\$7.2 BILLION PONZI SCHEME**, which caused financial devastation to 28,000 citizens from 118 countries. For more than 20 years, Antigua acted as Stanford's co-conspirator and beneficiary of **STOLEN MONEY** that belonged to Stanford Bank depositors. As the recipient of hundreds of millions of dollars of Stanford investors' money, through loans, bribes and "donations" made by Allen Stanford with his investors' stolen funds, Antigua not only enabled, but profited from Stanford's crimes. In a second, **BRAZEN ACT OF THIEVERY**, Antigua moved to expropriate hundreds of millions of dollars worth of property and assets purchased with deposits stolen from Stanford International Bank investors. In 2009, the **U.S. INDICTED AN ANTIGUAN GOVERNMENT OFFICIAL** for their role in **FACILITATING THE FRAUD**. Antigua has been joined in its illegal venture by the Caribbean's banking authority, the Eastern Caribbean Central Bank which seized the valuable Bank of Antigua, a crown jewel of Stanford's empire, with no compensation to the rightful owners.
